The provisions of this charter shall be construed liberally in favor of the City to the end that it may have all necessary powers for the efficient conduct of its municipal affairs, as contemplated by the common law, the general statutes and the Constitution of the State of Minnesota, whether limited to home rule charter cities or not. The specific mention of a particular municipal power in any other section of this Charter shall not be construed as limiting the powers of the City in the premises to those thus mentioned. Masculine or feminine pronouns or nouns shall be considered mutually inclusive of each gender in this charter, as well as any ordinance, resolution or order of the City, except where the context specifically requires the use of one or the other exclusively.

(GAHCC is repealed and abolished by Ordinance No. 471 adopted June 7, 2001)

109. GLENCOE LIGHT AND POWER COMMISSION

109.01 Light and Power Commission. There shall be a Light and Power Commission of the City of Glencoe (hereinafter "GLPC") which shall continue to have control and management of the generation, acquisition and distribution of electric energy in the City of Glencoe and in its service territory lying outside the corporate limits of the City. It shall be the aim and purpose of GLPC to furnish electric energy to the residents and business places of the City of Glencoe and in its service territory lying outside the corporate limits of the City in as efficient a manner and at the most reasonable rates practicable with sound and efficient management.

109.02 Appointment, Qualification and By Whom Made. GLPC shall consist of five members, all of whom shall be qualified voters of the City of Glencoe, and who shall be appointed by the City Council for the terms and at the times as herein set forth.

GLPC is vested with all powers to make and enforce such reasonable by-laws and regulations as may be necessary to carry into effect the objects and purposes of this chapter and to cause all such by-laws and regulations to be kept in a book for that purpose, which said record of regulations shall be open to the public for inspection at all reasonable times.

Money so turned over to the City by GLPC shall, in each case, during such time as the obligation is unpaid, be used solely for the purpose of retiring said indebtedness. All remaining funds shall be collected and all remaining accounts shall be paid by GLPC. The City Council may, from time to time, direct GLPC to deposit some or all of the remaining funds within the City, provided, however, that GLPC shall retain monies for purposes of funding depreciation, both annually and on a communitive basis. All checks issued by GLPC shall be signed by the Secretary and President or other designated officers/employees of GLPC. GLPC shall have the

110. INITIATIVE AND REFERENDUM

110.01 General Voter Authority. The voters of the City shall have the right, in accordance with this charter, to propose ordinances and to require ordinances to be submitted to a vote by processes known respectively as the initiative and referendum.

110.02 Petitions. An initiative or referendum shall be initiated by a petition signed by registered voters of the City equal in number to 20 percent of those who voted for mayor in the last preceding City election. Each petition shall be sponsored by a committee of five voters whose names and addresses shall appear on the petition. A petition may consist of one or more papers, but each paper circulated separately shall contain at its head or attached to it the statement required by Section 3.03 of this Charter. Each signer shall sign his name and give his street address. Each separate page of the petition shall have appended to it a certificate, verified by oath, that each signature is the genuine signature of the person whose name it purports to be. The person making the certificate shall be a resident of the City. Any person whose name appears on a petition may withdraw his name by a statement in writing filed with the City Clerk before the Clerk advises the Council of the sufficiency of the petition.

110.03 Determination of Sufficiency. Immediately upon receipt of the petition, the City Clerk shall examine the petition as to its sufficiency and report to the Council within 20 days. Upon receiving the report, the Council shall determine by resolution the sufficiency

of the petition.

110.04 Disposition of Insufficient Petition. If the Council determines that the petition is insufficient or irregular, the City Clerk shall deliver a copy of the petition, together with a written statement of its defects, to the sponsoring committee. The committee shall have 30 days in which to file additional signature papers and to correct the petition in all other particulars. If at the end of that period the Council finds that the petition is still insufficient or irregular, the City Clerk shall file the petition in his office and notify the sponsoring committee. The final finding that the petition is insufficient or irregular shall not prejudice the filing of a new petition for the same purpose nor shall it prevent the council from referring the ordinance to the voters at the next regular or special election at its option.

110.05 Initiative. Any ordinance, except an ordinance relating to the budget or capital program, the appropriation of money, the levy of taxes, or the salaries of City officers or employees, may be proposed by a petition which shall state at the head of each page or attached thereto the exact text of the proposed ordinance. If the Council passes the proposed ordinance with amendments and a majority of the sponsoring committee do not disapprove the amended form by a statement filed with the City Clerk within 10 days of its passage by the council, the ordinance need not be submitted to the voters. If the Council fails to enact the ordinance in an acceptable form within 60 days after the final determination of sufficiency of the petition, the ordinance shall be placed on the ballot at the next election occurring in the City. If no election is to occur within 120 days after the filing of the petition, the Council shall call a special election on the ordinance to be held within such period. If a majority of those voting on the ordinance vote in its favor, it shall become effective 30 days after adoption unless the ordinance specifies a later effective date.

110.06 Referendum. Any ordinance subject to the initiative may be subjected to referendum by a petition which shall state, at the head of each page or on an attached paper, a description of the ordinance. Any ordinance upon which a petition is filed, other than an emergency ordinance, shall be suspended in its operation as soon as the petition is found sufficient. If the ordinance is not thereafter entirely repealed, it shall be placed on the ballot at the next election or at a special election called for that purpose, as the Council determines. If a majority of the voters voting thereon favors the ordinance, it shall go into effect immediately or on the date specified in the ordinance; if a majority of the electors voting thereon votes against the ordinance, it shall be considered repealed upon certification of the election results. If a petition is filed against an emergency ordinance, the ordinance shall remain in effect but shall be repealed if a majority of the voters voting on the ordinance vote against it.
