Glencoe in Motion and the City of Glencoe invite you to participate in a community walk audit. A walking audit of a part of downtown Glencoe will help us understand and identify obstacles to walking and suggest potential short-term and long-term solutions. Please wear comfortable shoes and weather-appropriate clothing.

Your knowledge and perspective are valuable, and by attending this walk audit, you will help our community develop realistic strategies to make our community a safer and more enjoyable place to walk, thereby improving the health of our residents.

**No RSVP Necessary.**  
**Hope to see you there!**
