(See Uniform Minnesota Violation penalties in General Regulations Section and also appropriate state statute.)

615.15 Caterer's Permit

Section 1: "Section 615.15 shall be added to the Glencoe Municipal Code regarding caterer's permits, as the City Council finds that it is needed to enact additional sale provisions governing persons selling or furnishing alcoholic beverages pursuant to a caterer's permit issued pursuant to Minnesota Statute '340A.404(12), as it may be amended from time to time. The statute authorizes the holder of such a permit to provide alcoholic beverages at unlicensed locations provided that the sale is incidental to a larger food service. This division is enacted in order to preserve the incidental nature of the caterer's permit and to preserve the underlying state and local framework for permanent on-sale intoxicating liquor licenses. The issuance of a caterer's permit does not allow a person to, in effect, operate a permanent on-sale intoxicating liquor establishment; rather it entitles the person to provide temporary alcoholic beverages as an incidental part of a food service that prepares meals at special locations apart from the licensee's permanent location. The location requirements in this section for the sale of alcoholic beverages at catered events are enacted to ensure compliance with existing state and local provisions regarding on-sale licenses. Numerous events conducted at one location where alcoholic beverages are provided by caterers thwarts the licensing scheme for permanent on-sale intoxicating liquor establishments.

615.15(1) Regulations.

Events that are catered in accordance with Minnesota Statute '340A.404(12) as may be amended from time to time, shall comply with the following additional sale provisions:

- A. An event of this type shall not be for more than three consecutive days.
- B. All such caterer's licenses shall be approved by the City Council, although no public hearing shall be required.
- C. Any violation of this ordinance shall constitute a misdemeanor offense, subject to a fine not to exceed \$1,000.00 or imprisonment for not more than 90 days or both (See Uniform Minnesota Violations Penalty in General Regulations Section and also appropriate state statute)."

Qualified non-profit organizations may obtain one day on-sale license for nonintoxicating malt liquor for a fee of \$25.00.

- 616.04 The applicant shall permit the officers of the Board of Health of said City as well as representatives of the Police Department and Fire Warden, to inspect and examine the place of business described in the application, together with all the appliances and instruments used or to be used in the transaction of the business for which the license is sought, and any refusal on the part of such applicant to permit such inspection shall be deemed as sufficient ground upon which the Council shall refuse to issue the license applied for.
- 616.05 The City Clerk shall, upon receiving reports from the Board of Health, the Police Department and the Fire Warden, transmit the said reports together with his recommendations to the Council, which shall thereupon consider, the application and grant or deny the same.

Any person violating the provisions of this act shall be guilty of a misdemeanor, punishable by a fine of not to exceed one hundred dollars (\$100.00) or by imprisonment in the county jail for a period not to exceed ninety days. (See Uniform Misdemeanor Violation penalties in General Regulations Section and also appropriate state statute.)
- 616.09 Any license granted hereunder may be revoked by the Council without notice to the grantee or a hearing may first be held by the Council and the revocation then made for cause. The application shall contain the full name of the applicant, the applicant's residential and business addresses and telephone numbers, the name of the business for which the license is sought, and any additional information the city deems necessary. Upon receipt of a completed application, City of

625.10 All licensed premises shall be open to inspection by the local law enforcement agencies or other authorized City of Glencoe official during business hours. Minors used for the purposes of compliance checks shall not be guilty of the unlawful purchase or attempted purchase, nor the unlawful possession of tobacco, tobacco

products, or tobacco-related devices when such items are obtained or attempted to be obtained as a part of the compliance check.
