August 15, 2025 | Project Update No. 15

Upcoming work includes the following:

- **15th Street from Hennepin Avenue to Judd Avenue**

- Residents will have access on a gravel surface starting today. Contractor will make driveways accessible. Local traffic only.
- The street will be closed again on August 25 for concrete curb and gutter

- **Hennepin Avenue**

- **13th Street to 15th Street**

- Residents will have access on a gravel surface starting today. Contractor will make driveways accessible. Local traffic only.
- The street will be closed again on August 25 for concrete curb and gutter.

- **15th Street to 16th Street**

- Expect no access.
- Subcutting for street construction will begin next week.

- **16th Street to 18th Street**

- Expect no access.
- Underground utility construction will continue next week.

- **20th Street**

- Intersection paving is tentatively scheduled for August 20th, with the intersection anticipated to reopen August 21st. A one-day closure will be required in October for cut over of the temporary sanitary sewer.

Here is some additional information.

Please remember that schedules can change at a moment's notice because of weather or delays by private utility companies that are not under direct control of the City or the City's contractor.

During construction, there will be times when streets are closed to traffic. Residents will need to park on adjacent streets and walk to their homes. If you intend to walk across your neighbor's yard for access to your home during this time, please talk to your neighbor and ask their permission before doing so.

If you are interested in receiving future Project Updates by e-mail, please send your name, property address, and e-mail address to Julie Brinkman at jbrinkman@sehinc.com.

Thank you for your continued patience and cooperation. If you have any questions or concerns, feel free to contact me.

Doug Maeder, Resident Project Representative
