CITIZEN COMPLAINT FORM

Dear Concerned Citizen,

I take all allegations of misconduct by my employees seriously. I will review your complaint in its entirety and will handle it professionally and in a manner that I feel is constructive to the on-going relationship between Glencoe Police Department personnel and the public. If your allegations are proven, I will handle the corrective measures in a timely fashion. Unfortunately, I have received some complaints that have been made with malice intent and have been proven to be false, and therefore I feel it is necessary to inform you that according to **MN Statute 609.505 subd. 2, Reporting Police Misconduct**, it is a crime to make a report of police misconduct knowing that the information is false.

Sincerely,
Chief Tony Padilla
